Dear Sir/Madam,

**RE: FEE WAIVER FOR GARIY SAMUEL OTIENO
- ADM. NO. 11085**

The above named has been my student for four years and has successfully completed his course. He is interested in joining your institution for further studies.

He is in the process of filling the necessary application documents however he is unable to raise the application fee required as this would cause a financial constraint on his family.

Kindly waive his application fee.

Thank you.

Gladys Otido
Careers counselor.
